Just wanted to let you know there are folks with groundwater/surface water monitoring expertise in EP and at the Lab that are available to support your efforts. In the event, you need extra hands or field resources, here is a list of folks that have experience and up to date field training. If you need support from EP in coordinating travel or deploying these resources, just let me know. Also, anything else I can do, please ask.

Groundwater sampling in EP:

Greg Oberley

Tricia Pfeifer

Carol Russell

Gary Kleeman

Surface water in EP:

Julie Kinsey

Lareina Guenzel

Tom Johnson

R8 Lab staff – Groundwater and surface water:

Bill Schroeder – conducted 23 sampling events on the Animas

Jeff McPherson
